***THIS YEARBOOK IS A MEMORY***

***FOR THE YEAR GONE BY.***

***FOR A TIME  
WE CALLED THIS  
PLACE A HOME . . .***

This place became our own. A place to have some laughs, talk to a friend, get crazy, and be ourselves. We learned about other people. How to get along or not to get along. We found we could make our own choices. And, how to live with those results. This may not have been the best place in the world, but it was a place to call home.

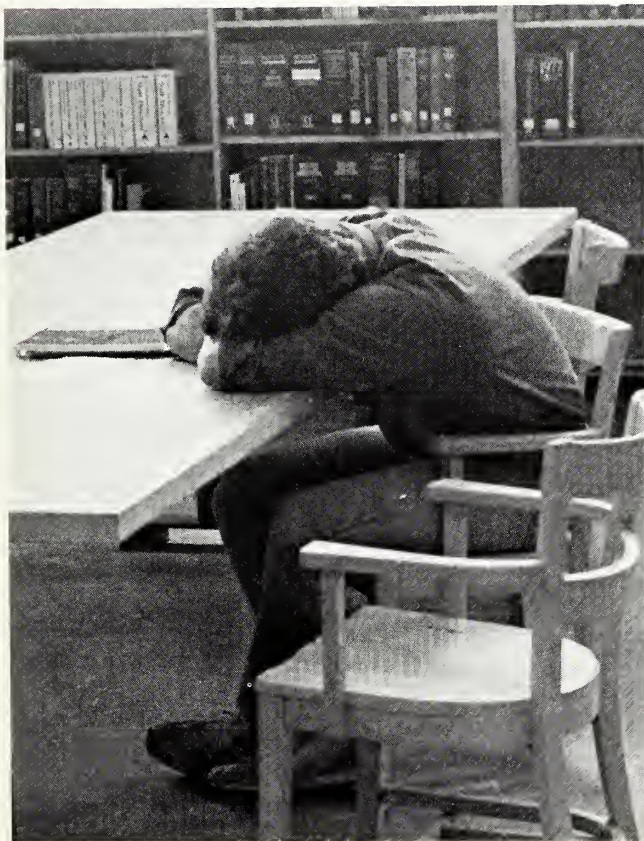

.... **WE FOUND**

**BOTH GOOD TIMES**

**AND BAD ....**

Although some of us seem to have better times than others, we all managed to find happiness in our everyday tasks. Helping others, helping ourselves, and ... well, at least getting our beauty sleep. And, after all, what are all the good times worth if we don't experience some bad in trying to get there. Remember everyday's simple pleasures.

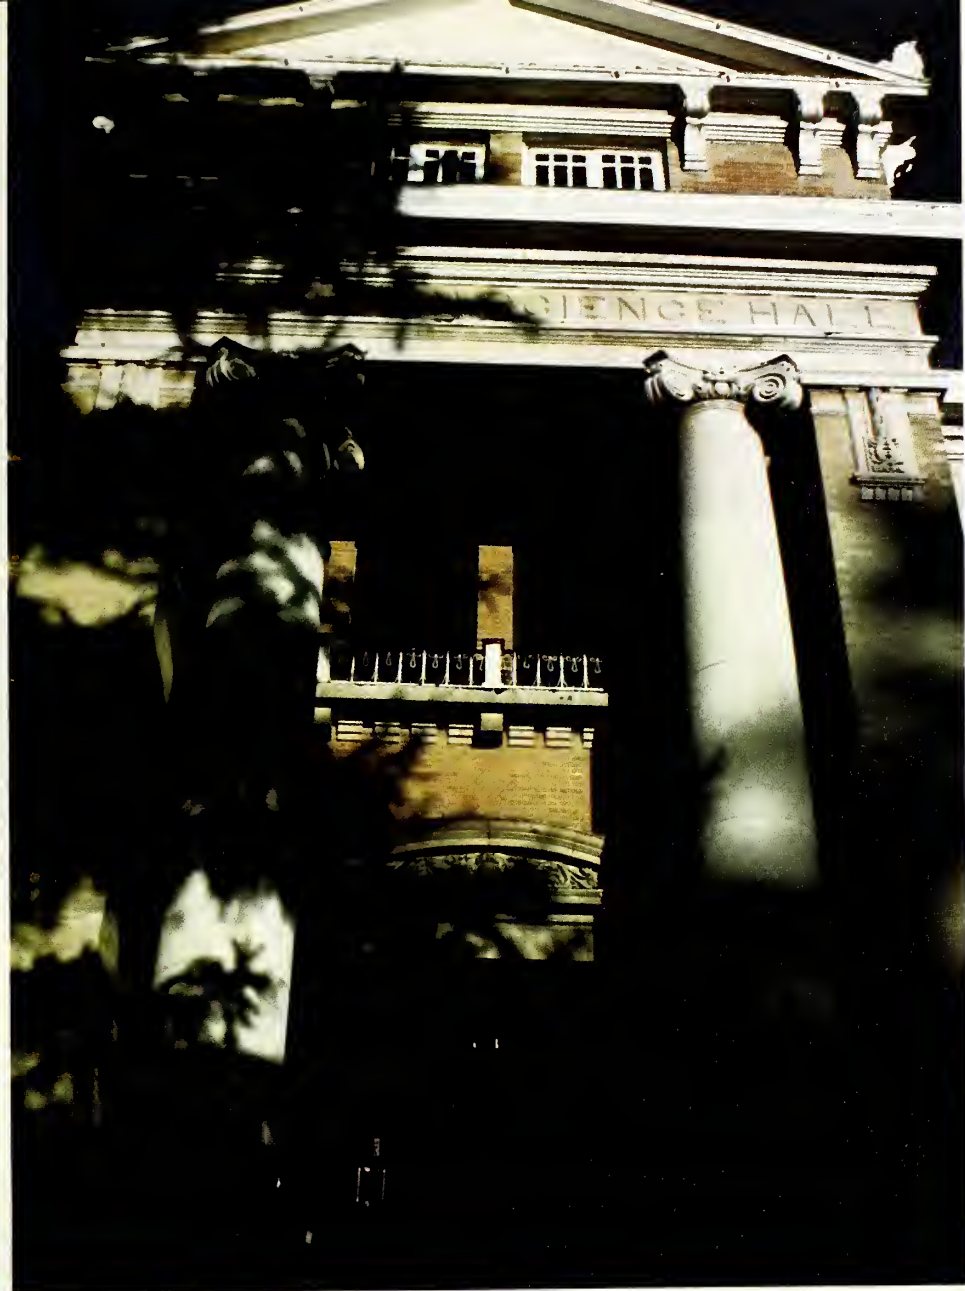

When trying to escape the four walls of our room or the binders of our books, we found many places to harbor our thoughts and dreams. Maybe it was an escape to the nearby countryside at Fermilab, to watch a warm sunset. Possibly sitting by the cool crisp waterfall at McDowell Woods, on an Indian summer afternoon. Or a walk with a friend through the colorful memories of a day gone by at Naperville's Riverwalk. There are always places to go. Once we had been there, we could always revisit them in our minds.

... IN A SPARE  
MOMENT, WE'D  
VENTURE OUT  
INTO A WORLD  
OF PLACES  
WE'D NEVER  
SEEN BEFORE ...

.... ALL OF OUR  
MEMORIES  
NOW ECHO  
ENDLESSLY  
THROUGH THESE  
FAMILIAR  
HALLS ....

As we each recall the first day we set foot into these buildings, we will realize that we were a little scared and nervous about being in this strange place. But, as time would pass we got to know them quite well. As a matter of fact, there were many times we would have liked to forget just how to get to G-35 or SC-14. And, of course, the social center, that is the Library. Maybe you couldn't get much studying done, but there was always someone to talk to.

***... AS LONG AS WE  
HAD THE STAMINA,  
WE DID AS MUCH  
AS WE COULD ...***

Trying to do everything all at once. This is what we were known for. We took on what we could handle. Most of the time, much more than that. Studying, classes, going out, working out, cramming, dances, games, there was always something to do. It seemed as if it would never end. And most of the time, we hoped it wouldn't.

*... AND WHEN IT COMES*

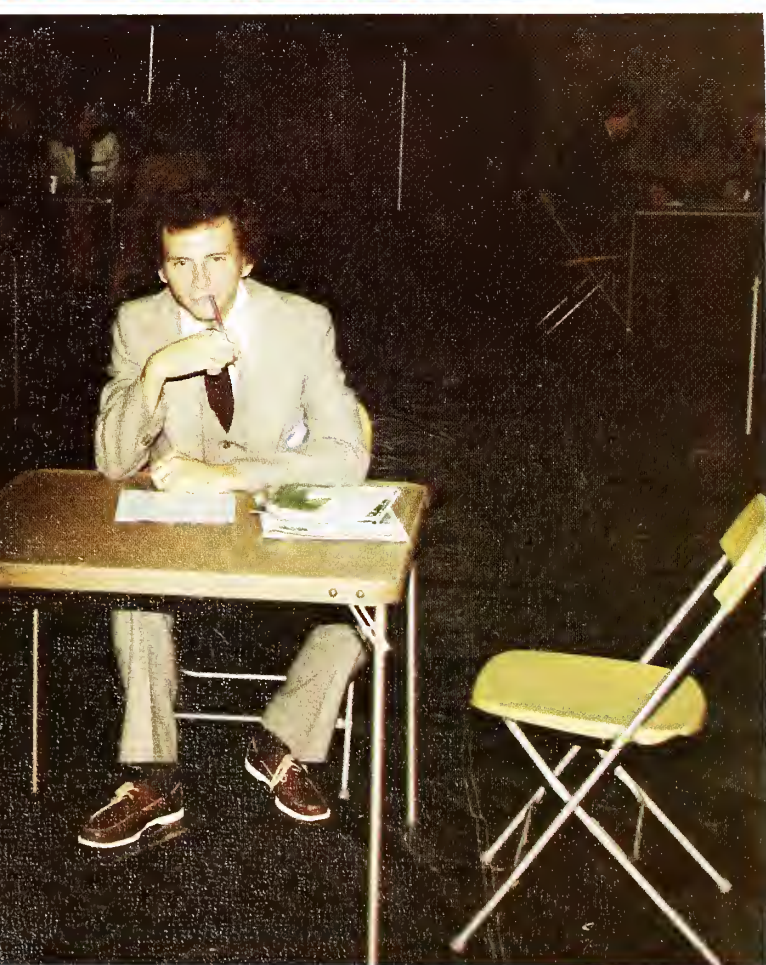

*TO SAY GOODBYE ...*

It's one of the hardest words to say. Yet, it says so many things that some of us cannot say. Keep in touch. Don't ever change. Keep smiling. Call me sometime. I'll be seeing you. I'll miss you. I love you. We'll be friends ... forever ... goodbye.

.... **WE**  
**MUST**  
**REMEMBER** ....

We've spent some good, unusual, bad, sad, funny, crazy, serious, embarrassing moments together. We walked and talked. Argued and "discussed." Debated and related. Laughed and cried. We ran, read, researched, and replied. We drank a little, a lot, sometimes too much. We worked, cleaned, dreamed, and won.

*... THESE DAYS  
ARE NOT GONE,  
THEY ARE JUST  
FINISHED.*

Remember where you came from, who you are, and what you will be. Don't forget your past or shy away from new beginnings. Always be humble enough to respect others and strong enough to accept change. Learn from others and your mistakes. Succeed in all your endeavors, whatever they may be. Stop along the way and smell the sweetness of love, life, and happiness.

**THIS COLLEGE POSSESSED**

This College Possessed, the 1981 Homecoming theme, certainly had the campus possessed with activities. The week started off really hot on Sunday with a hayride and bonfire. To cool things down an ice cream social, blood drive, and voting for Court was held on Monday. Tuesday brought Saloon Night and an unscheduled Halloween party. The final votes for Homecoming Court were tallied and the winners were announced at Wednesday's convocation. Tim Peraino and Connie Berry took the honors as they were crowned Casanova and Senior Queen. On Thursday afternoon, Third South Rall took the Powderpuff championship. Things started to heat up again on Friday with the annual bonfire and pep rally. The week came to a close on Saturday as the Sophomores won the Frosh-Soph Tug-of-War. The football team was not as fortunate as they lost to conference foe North Park. The festivities ended at the Victory Party, where couples danced to the music of Horace Monster. The busy week of activities was organized by Chairperson Toni Alessi and Co-Chairpersons Kurt Kamradt and Mary Kay Valdez.

**HOMEcoming '81**

Whose Life Is It Anyway, this year's fall production, was a gripping drama which dealt with the question of life and death. Mary Ann Galgano portrayed Claire Harrison, a paraplegic who wished her life support to be cut off. A problem arises when Dr. Emerson (Rich Krasowski) refuses her request. A court battle pursues with the final verdict handed down by Judge Wyler (Bob Lentz). In the end, Harrison is given her wish to die. Artistic Director Jack Phend and Scenic Designer/Technical Director Michael Johannsen did an excellent job in preparing the cast.

**WHOSE LIFE IS IT ANYWAY?**

## "Without Discretion"

An original play in three acts  
based on the life of  
Mary Todd Lincoln

Without Discretion is an original play in three acts based on the life of Mary Todd Lincoln. N.C.C. student Doris Replogle-Porter wrote the play as part of her Richter Fellowship Grant to research the life of Mrs. Lincoln. The play dealt with the latter part of Mrs. Lincoln's life when she was found to be mentally incompetent. Joan Pacijka portrayed Mrs. Lincoln while Mike McNeal played the part of her son Robert. The play was presented as part of the Dad's Day activities.

WITHOUT DISCRETION

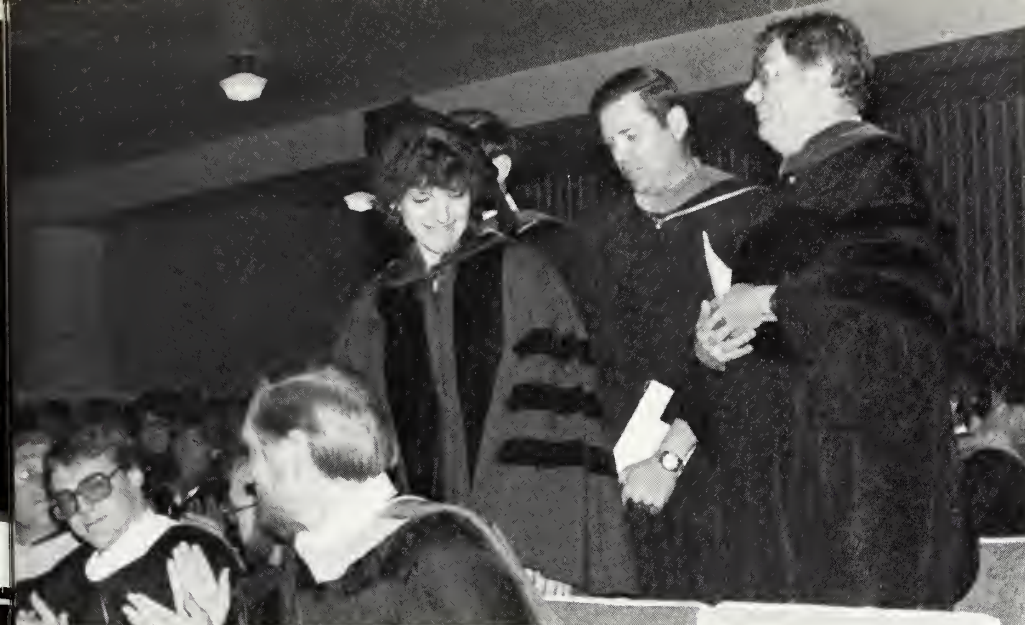

This year's Dad's Day was held on a beautiful November afternoon. With the sun shining down and temperatures in the sixties, the dads comfortably enjoyed the NCC-Wheaton football game. After the Cardinals won the game and retained possession of the Little Brass Bell, the fathers were treated to refreshments, entertainment, and gambling inside Merner Fieldhouse. After the families broke for dinner, many returned to the campus to view "Without Discretion," written by NCC's own Doris Replogle Porter.

## DAD'S DAY

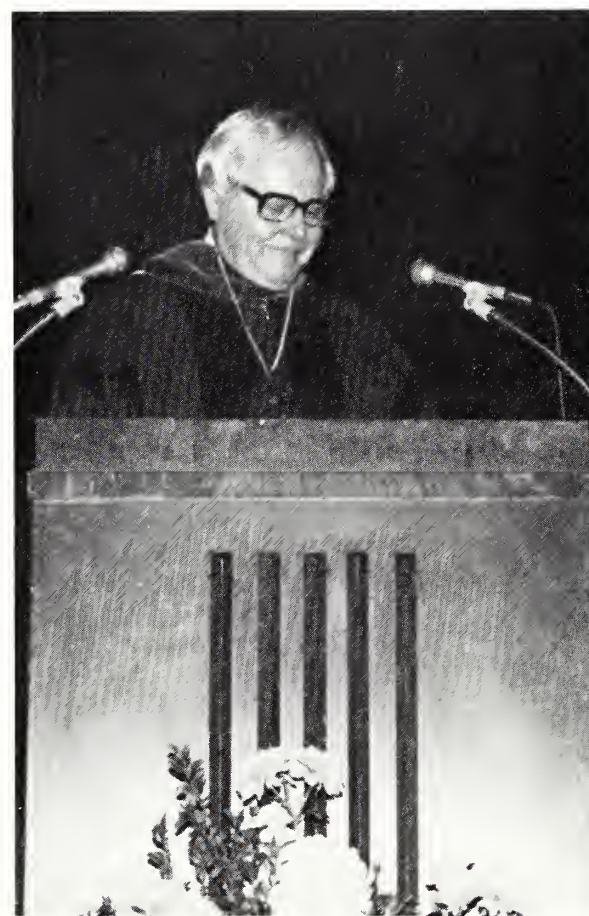

Due to a lack of funds, the convocation series was cut back drastically this year. Fall term brought us Washington journalist and historian Allen Weinstein, who was also a foreign policy advisor to President Reagan during the 1980 presidential campaign. In the Spring, the annual Honor's Convocation was held to recognize those students who have shown excellent achievements in academic and social activities. Next year, the school plans to drop the convocation speeches in favor of a less formal visiting lecturer series.

## CONVOCATIONS

Once again, coffeehouse concerts provided quality entertainment, for students, at a reasonable price. The free concerts were seen at the Cage throughout the school year. The laid back atmosphere blends itself well with the folk-type music which is played. The concerts are funded by several groups including: CUAB, RLC, and Com-muter Club.

## COFFEEHOUSE CONCERTS

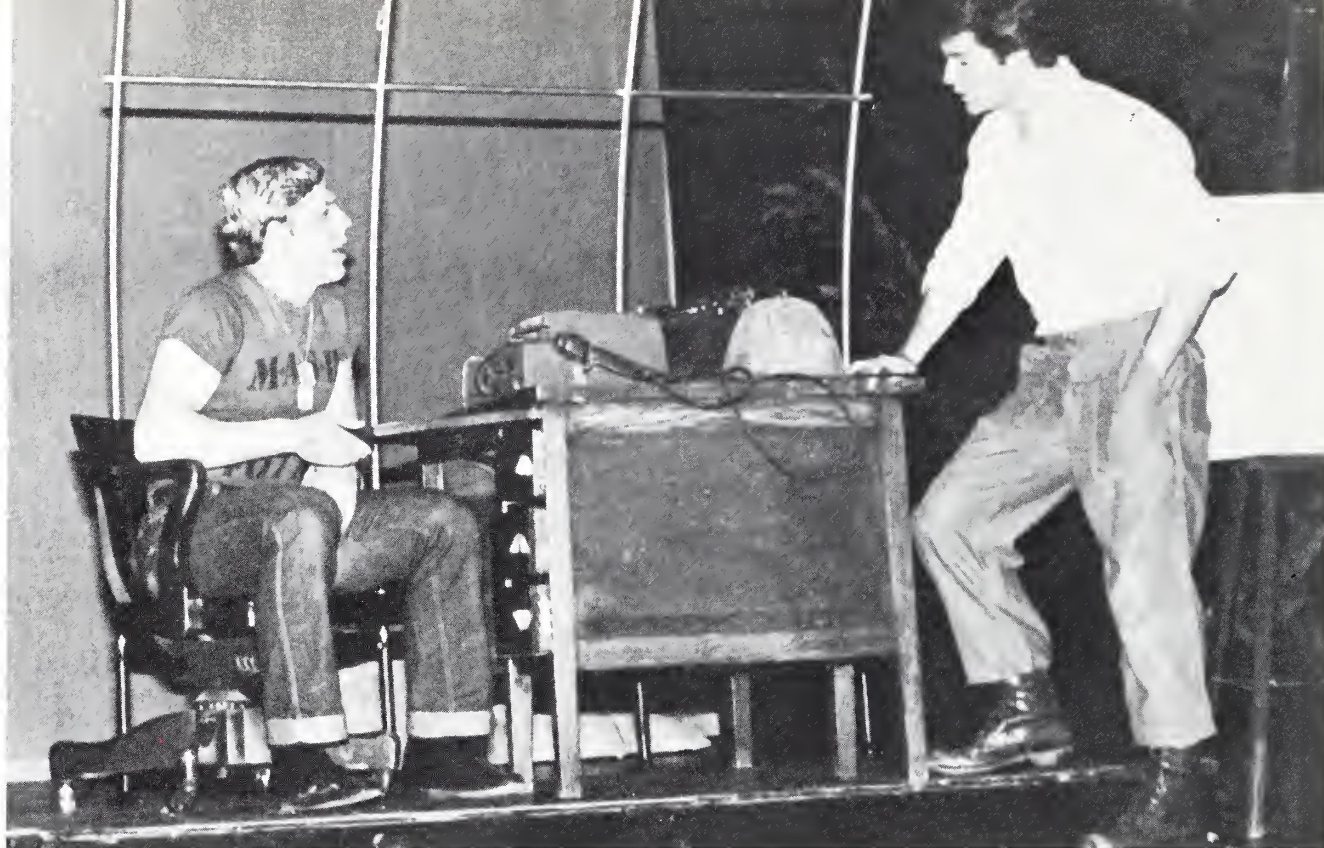

This year the Naperville-North Central College Community Concert Association presented four concerts in Pfeiffer Hall. The aims of this group is to bring quality entertainment onto the campus for both the students and the community to enjoy. Among this year's stars to perform were; Soprano Opera singer Carol Neblett, The Joffrey II Dancers with Ronald Reagan, the New Christy Minstrels, and Chet Atkins.

Top: Soprano Opera singer Carol Neblett. Middle: The New Christy Minstrels performed during Winter term. Bottom: Lael Evans and Ron Reagan performed Richard Englund's ROMEO AND JULIET PAS DE DEUX.

## COMMUNITY CONCERTS

South Pacific, this year's Winter Musical, was considered by many one of the best musical productions put on at N.C.C. in recent memory. Presented by the N.C.C. Theatre Guild and music department, the 39 member cast performed during the final two weekends of February. The action takes place at a U.S. Navy Base on a South Pacific Island during World War II. The story is centered around the love affair of Nellie Forbush (played by Carol Graf) and Emile de Becque (played by Rich Krasowski). The men stationed at the base (where Nelli is a nurse) add variety and comedy to the song and dance. Audiences were delighted by the acting of Lori Di Meglio (Bloody Mary), Mark Reid (Lt. Joseph Cable), Mike Kontos (Capt Brackett), and Tim Young (Luther Billis). The musical was directed by Donald Shanower. Bernard Izzo was musical director. Laura Grant choreographed, and John Phend was designer and technical director.

... SOUTH PACIFIC

Winter Carnival '82 was a success despite Old Man Winter. On Sunday the scheduled sleighride and bonfire was cancelled due to blizzard type conditions. On Monday, the Blood Drive was cancelled because of a mix-up of the date, however the cookie social went on as planned. Tuesday night the Men's Basketball team defeated Carthage and Midnight Bowling rounded out the evening. The Winter Softball Tournament was held on Wednesday. On Thursday students enjoyed a mixer dance, with music provided by "Just Us." Once again on Friday bad weather struck and the ski trip to Lake Geneva was called off. The week ended with a Turnabout Dance at the Naperville Sheraton. The week's activities were organized by chairperson Mary Kay Valdez with help from Toni Alessi, Kurt Kamradt, L.I.F.E. and C.U.A.B.

## SPECIAL EVENTS

Special Events are the planned and unplanned extra activities which help to keep students busy throughout the school year. Events included rock concerts by American English and Rampage, sporting events such as the Good News Bears and the National Division III Track and Field Meet, and an Aurora Gospel Singing Group. Groups such as CUAB, BSA, the power-lifting squad, and the athletic department helped to bring these activities to the campus.

## SPECIAL EVENTS

This year's Spring Break Trip, sponsored by CUAB, was to Ft. Walton Beach, Florida. Over 50 people road the A-1 Bus Lines to the white sandy beaches. Students and faculty alike, enjoyed sipping beer under sunny skies and temperatures which reached 90 degrees. The seven day excursion was organized by junior Toni Alessi.

## SPRING BREAK

Mom's Day '82 entertained the mothers of NCC students with a day which was loaded with activities. Over 250 people enjoyed the festivities which were organized by Christi Dahms, with help from Beth Clement, Gordana Popovic, and Jan McGahan. The day began with a welcome reception in The Cage where refreshments and snacks were served. Next, the fashion show entertained the guests as 26 models showpieced sports and activewear, prom sets, casual outfits, evening wear, and the traditional wedding party. After the show, families were offered campus tours, dorm receptions, a tour through the Naperville Historical Society, supper at Kaufman, and finally, the theatrical production of Romeo and Juliet.

## MOM'S DAY

A new flair was added to this year's Spring Thing Week, a cruise on the Love Boat. This may be stretching the truth a bit, but couples did dance the night away on the S.S. Clipper. The Clipper is a 360 foot Great Lakes vessel which traveled the five Great Lakes for over 70 years. In addition to the dancing, the couples relaxed with cocktails and dined on roast beef. To go along with the dance on the Clipper, CUAB planned a variety of activities which included a trip to Great America, the theatrical production of Romeo and Juliet, the Baseball team defeating Elmhurst, Honors Convocation, both Men's and Women's Track and Field meets, a Blood Drive and Ice Cream Social, and a trip to Arlington Park Racetrack. The change of events stimulated a very surprising amount of interest and participation among the students. The changes in the scheduling were organized by Kurt Kamradt, Toni Alessi, and Mary Kay Valdez.

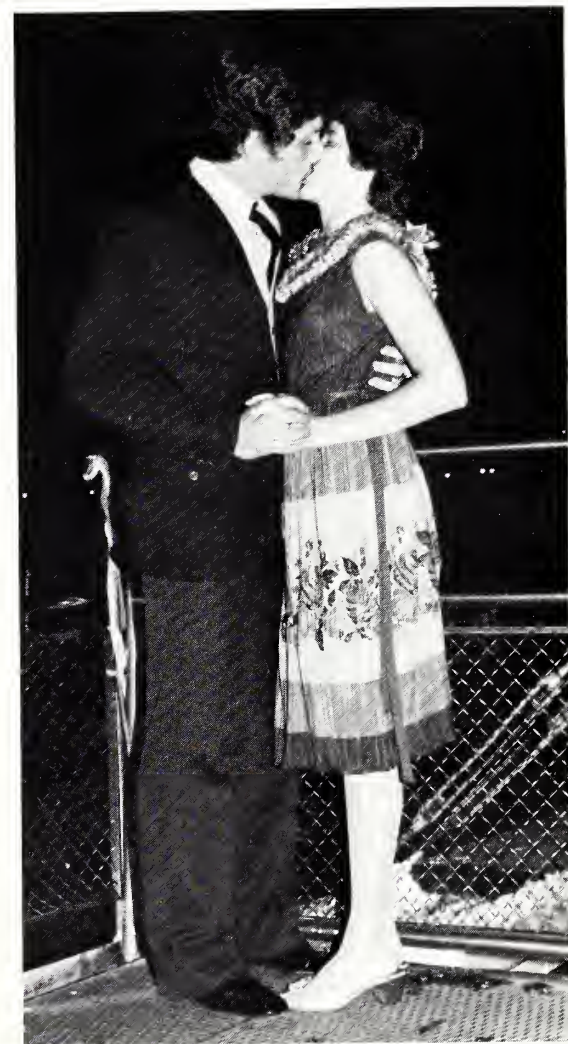

## SPRING THING

The 1982 Spring Play was the Shakespearean classic *Romeo and Juliet*, which portrays the tragic tale of two lovers from two feuding households, the Montagues and the Capulets. In the starring roles, Mary Ann Galgano portrayed Juliet and Tim Young played Romeo. This particular version of *Romeo and Juliet* was that of David Garrick, manager of the Drury Lane Theatre in the middle 1700's. It is believed that this production of the play was the first to perform Garrick's adaption in over two hundred years. Other members displaying outstanding performances were: Mike Kolodziej as Tybalt (Juliet's evil cousin), Chris J. Stull as Friar Lawrence (Romeo's friend who devised the plan to reunite the two lovers), Amanda Barche as Nurse (Juliet's confidant), Mike Wenstrup as Capulet (Juliet's father), and Shelley Krivach as Lady Capulet (Juliet's mother.)

The Honor's Convocation was held in Pfeiffer Hall to commemorate those who have achieved academic excellence. All of the professors attend the convocation in their school collars. Among the many awards given were; awards for outstanding performance in each discipline, the Senior and Junior Clarence F. Dissinger Awards, and Outstanding Senior Man and Woman of the Year. The Dissinger Senior Faculty Award went to Diane Divigneaud, with the Dissinger Junior Faculty Award going to Francine Navakas. # HONOR'S CONVOCATION

The one hundred and seventeenth annual commencement of North Central College was held on the warm, sunny afternoon of Saturday, June 12, 1982. The graduates filed in to the traditional Pomp and Circumstance Processional played by the Harmony Brass Quintet. Martha Hill, The Outstanding Senior Woman, gave the graduate remarks. The address was given by Jesse R. DeWitt, Bishop of the Chicago Area United Methodist Church. Then, as parents, family, and friends looked on, the diplomas were bestowed upon each graduate by President Swing. Professor Bernard Izzo led the congregation in the singing of the Alma Mater. To bring the ceremonies to a close, Marc Hartzman, The Outstanding Senior Man, gave the Benediction. After the Recessional, the graduates and those attending enjoyed punch and cookies at the reception.

## GRADUATION

The Student Association Board is a group of students who are appointed by campus elections. This year's president was John Pcolinski. Among the Board's duties are the appointment of the Spectrum and Chronicle Editors, student association budget appropriations, student faculty meetings, and student association meetings. Among the Board's more interesting tasks this year was the reallocation of the student association budget which had to be totally reworked because of a drop in student enrollment. In addition to the budget work, the Board had to work through numerous campus problems, including social and administrative.

## STUDENT ASSOCIATION BOARD

The College Union Activities Board once again organized a variety of events to keep students busy throughout the school year. CUAB president Nancy Cawley and co-workers provided students with movies, dances, trips, and other activities. The three major events were Homecoming, Winter Carnival, and Spring Thing. Because of the problems with student apathy, CUAB was forced to make some changes in their planning. The result was a dance aboard the 360 foot S.S. Clipper, which is docked at Navy Pier. Although the dance was on a Tuesday night it drew more people than any other event during the entire school year. This new thinking among the board will be transformed into a new variety of events and hopefully spur more interest among the students in the future.

Environmental Awareness Organization (EAO as it is more commonly called) is a group open to anyone who is interested in the environment. Dr. Terrance Marsh is the faculty advisor, and Ray Jakubczak is the president of the group. Not only do these individuals explore data around the Naperville area, but each year the club plans an overnight trip. This year the group explored caves located in Southern Indiana.

The N.C. Chronicle is the student run school newspaper which is published weekly during the school year. This year's paper stressed a strong editorial policy and covered a variety of the events and organizations on the campus. Distributed every Friday afternoon, the Chronicle kept students well-informed of the events happening around them. This year's paper was anchored by senior Amy Sharer.

Members of the N.C. Chronicle include, Front Row (Left-Right): Amy Sharer (Editor), Adele McHard (News Editor). Back Row: Mike Kolodziej (Special Features Consultant), Tom Nelson (Sports Editor), and John Shoulberg (Managing Editor).

The 1981-82 school year proved to be one of growth for Tri Beta. Beginning Fall term the organization had only six members. During Spring initiation, however, the group added fifteen members to bring the total up to twenty one. Dr. Tom Williams was the faculty advisor for the group which is a charter member of the National Biological Honor Society. In addition to the initiations, the club held its Annual Cheese Table in the Fall, and had a picnic in the Spring. The group hopes to expand next year with more meetings and guest speakers.

The Black Student Association (BSA) is an organization of the black students on the campus. The group has weekly meetings in the BSA room, located on the main level of Goldspohn. The group attempts to form a unit in which the black student has a cultural tie. Along with the meetings, the group sponsors BSA week. The week is packed with activities which relate to the Black Culture, both past and present. This year's main event was an Aurora Choir Group which sang religious hymns in Centennial Hall.

The Religious Life Committee is an organization set up to promote the spiritual aspect of North Central. Working in conjunction with the campus minister, Mike Moser, RLC gave students an opportunity to share Christian experiences. The group is funded through the Student Association budget and sponsors ice cream socials, movies, and coffeehouse concerts. This year's group worked with both Tuesday Night Life and the Fellowship of Christian Athletes to stimulate religious growth on the campus.

The NCC vocal groups, under the direction of Mr. Bernard Izzo, kept occupied with seasonal concerts, but they also found time for individual performances of their own. The Madrigals hosted the Madrigal Invitational along with singing at King Richard's Fair, local churches, and at different activities around campus. The Collegians performed at Mom's Day and at the perspective student receptions, and the Choir sang at the Wesley-Albright Convocation and at the Batavia and Hinkley Methodist Churches.

Located at 89 on the F.M. band, WONC reaches far beyond the campus into surrounding communities. Another plus, the station broadcasts from the Cage, saloon night and numerous sporting events. With 3900 watts of power, the station reaches an audience of nearly one million people.

**WONC**

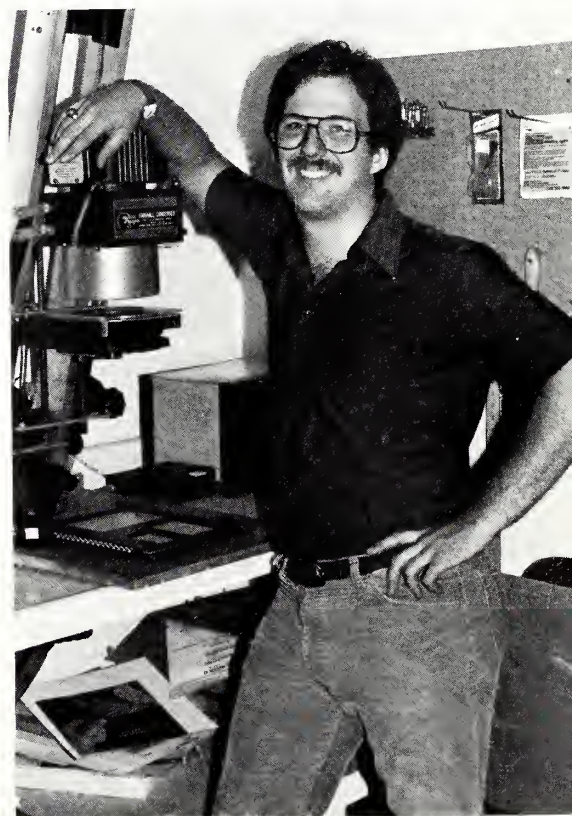

This year's Spectrum Staff, under the direction of Editor Jack Arnston sought to turn the troubled book around with numerous changes. The foremost change was the addition of color. A total of 22 pages and 140 color pictures were put into this year's book. To go along with the color are a deluxe cover, special shadow weave paper, and an increase of the number of pages from 128 to 148. The changes were assembled into a book using a concept of lines throughout each section. This concept, new to NCC, was designed by assistant editor Susan Motzer. To go along with these changes, the staff imposed more rigid standards for the individual details of each page. No yearbook would be complete without quality pictures. Therefore, this year's Spectrum photographic division, under the direction of Mike Sullivan, gave special attention to all aspects of the photo taking.

The Varsity Club is an organization which is open to all athletes who have received a varsity letter. The group holds regular meetings where the members discuss various activities. During the year, the club does such things as renting refrigerators to students living in the dorms and selling refreshments at many of the home sporting events. In addition to this work, members plan and participate in the Annual Donkey Basketball Game. VC also plans trips to numerous professional sporting events and holds an annual picnic at the end of Spring term.

## VARSITY CLUB

Service Systems is the cafeteria service which supplies food for both the Cage and Kaufman Dining Hall. Sometimes referred to as the "food crew", Service Systems goes beyond just extraordinarily different food. SS is the largest employers of North Central students. In addition, they sponsor intramural teams and offer specialty dinners such as steak night, Mexican night, a Thanksgiving supper, and cookouts during the Spring.

## SERVICE SYSTEMS

Intramurals allows students to actively compete in an organized sport other than that of the college. Each league is organized by a student who must establish rules and schedule the games. Both men and women compete in sports which range from powderpuff football to softball. This year's winning teams are as follows: Powder Puff Football-Third South, Women's Basketball-White House, Men's Basketball-The Whips, Angleball-Seybert, Women's Softball-Third South, Men's Softball-La Familia.

## INTRAMURALS

The Fellowship of Christian Athletes (FCA) is an organization which is designed to give students the availability of fellowship with other Christian athletes. The group met every Thursday night to discuss various topics of concern to them. Occasionally, a professional athlete would be present to share his views. In addition to the Thursday meetings, FCA worked with Tuesday Night Life to stimulate students interest in religion. The group presented four movies dealing with Christian relationships, a film about Jesus shown to over 250 people on Easter, campus church services, a Christian Conference over interim, and finally an FCA breakfast during the track nationals in which 180 competing athletes attended. Men's Basketball Coach Bill Warden helped to run the group which rose in number, from seven last year, to nearly twenty this year.

## FELLOWSHIP OF CHRISTIAN ATHLETES

The Ski Club is a Student Association funded organization which gives students a chance to enjoy the Midwest Winters on a ski slope instead of a dorm room. This year, however, Old Man Winter was a bit too ferocious as a ski trip to Lake Geneva, Wisconsin had to be cancelled because of all things, a blizzard. The group did manage to make it out to Villa Olivia, though. The group hopes to plan an overnight trip next year, as they will try to attract more members. This year's Ski Club was headed up by Juniors May Kay Valdez and Margaret Warren (pictured above left and right, respectively.)

The Commuter Club is a group organized to link the commuter to the campus in ways other than just the class time. In attempts to keep students on campus, the club made a commuter lounge in the basement of the Union. The club also had a coffeehouse concert in the afternoon and organized a 50's dance. The dance was located on the second floor of the Union and proved to be a great success. Craig Strohl was this year's president.

Parent's Council is an organization designed for the parents of students attending North Central. Activities, concerns, and support of the college are various topics discussed at meetings held throughout the year. The Dad's Day reception held at President Swing's home was hosted by the Parent's Council. Another event long supported by P. C. is Mom's Day. Recently, a newsletter was devised by the P. C. to help stimulate other parents' interest in the students and the college. Their support can be found everywhere.

# FOOTBALL

This year's Football Team, under the reigns of first year coach Lloyd Krumlauf, finished the season with a 3-6 record. Although the team had a poor record, its play was fairly good. In fact, the gridders were in all the games until the final gun. With the assistance of a very young, yet experienced coaching staff, Coach Krumlauf hopes to develop a powerhouse in the next few years. Leading this year's team were senior tri-captains Bob Dobry, Mike Kennedy, and Alan Douglas. All Conference picks included seniors Douglas and Kennedy, junior linebacker Sean O'Connor, and Sophomore guard Tom Murray (offense), and Mike Kennedy (defense).

The 1981 soccer team finished the season with a 14-6-1 record. Under the direction of first year coaches Al Kleinitas and Dan Palmer the team showed much improvement over last year's squad. Doug Sawyer, the team's Most Valuable Player, lead the team with 17 goals. The Most Valuable Defensive Player was senior Chuck Novotny. Chuck Jaudes was the Most Improved Player, while Billy Majewski received the Sportsmanship Award.

# VOLLEYBALL

The Varsity Volleyball Team began the season with very optimistic ideas of a good season. What followed, however, was less than gratifying. The team entered the State Meet as the number one seed. Due to some bad luck and misfortunate play, the lady Cardinals failed to even place. One bright spot for Coach Karen Hill was the play of senior Pam Mehrens. Mehrens was voted to the All State Team for her outstanding play during the state tourney.

In addition, the team placed first in the Trinity College Invitational, and third in the Cleo Tanner Invitational in which North Central was the host. The ladies ended the season with a strong third place showing at the Division III Meet which was held in Rock Island. Leslie Salette and Mary Kay Brooks each had an outstanding season while alternating at the number one and two singles spot. At the number three singles spot, Pam Stoike finished the year with a 14-2 record. The three doubles teams of Salette and Partridge, Brooks and Stoike, and Keegan and Naumann, each had a very fine season for Coach Patterson.

# WOMEN'S SWIMMING

This year's Women's Swim Team, under the direction of Coach Gary Crowe, finished their best season ever. With a 3-4 record in dual meets, the team peaked at the State Meet in which it finished at an impressive third place. Of the 24 school records, this talented squad broke 23 of them. Eight of the women qualified for the National Meet where the team finished 25th. They were: Jane Connolly, Pat Waters, Renee Pash, and Renita Pash. Freshman Jane Connolly placed sixth and ninth in the one-meter and three-meter boards, respectively, and gained All-American recognition.

# MEN'S SWIMMING

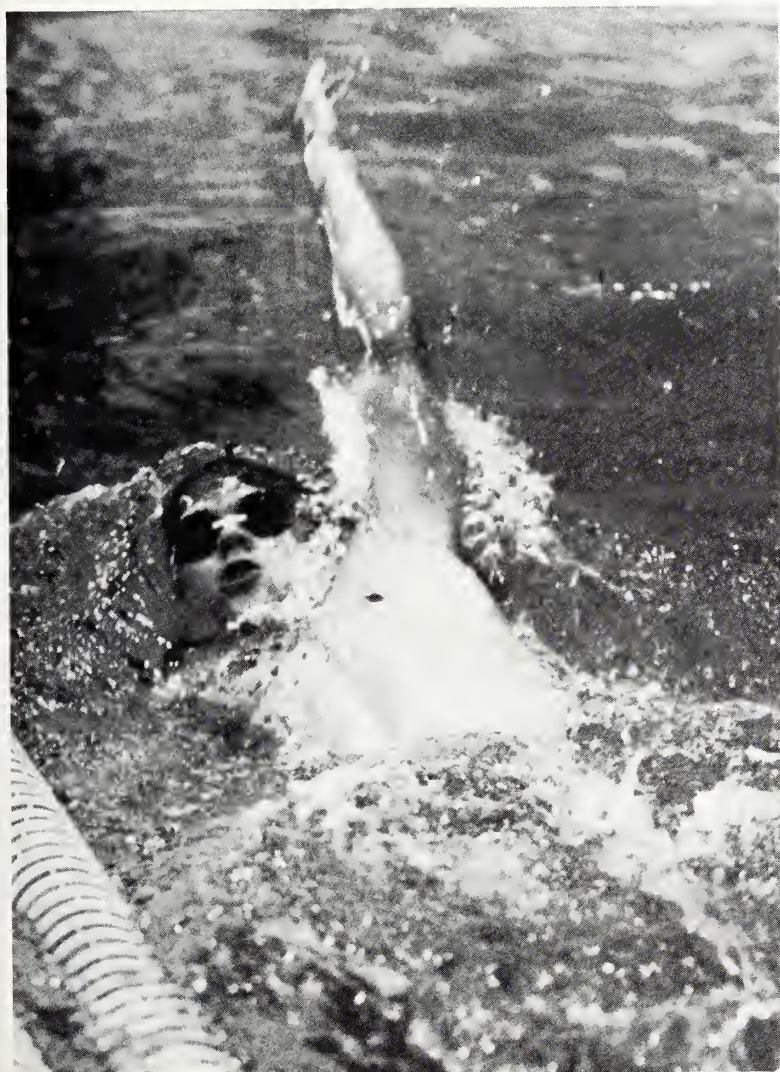

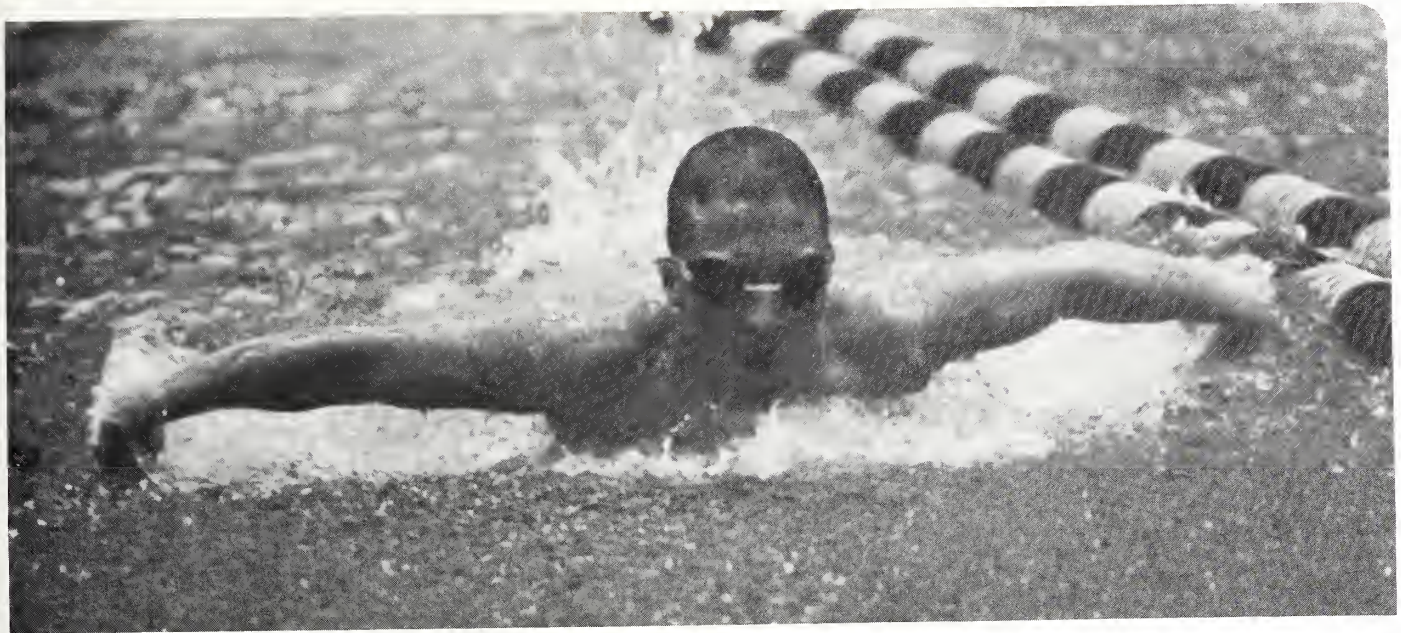

For the first time in four years the Men's Swim Team was not at the top of the heap in the CCIW. Although this year's standings were not as impressive as last year, the Cardinal tankers were. They won eight out of eighteen events, set eight Conference records, and five Illinois Division III records at the CCIW Conference Meet. In addition, the team took second place in seven of the ten events they did not win. Due to the system of team scoring, however, the Cardinals ended up in second place behind bench packed Augustana. Individually, NCC sent six swimmers and two divers to the NCAA Division III meet in Lexington, Virginia. Swimmers that made the Nationals trip included; the CCIW Most Valuable Swimmer John Shoulberg, Dan Mueller, Rich DePew, Chuck Kaufmann, Kevin McClusky, Jack Collins, and divers Bill Fabian, and Pat Dunn.

The highlight of the season came when the team upset Wheaton (ranked seventh in the nation) in a dual meet competition. Jeff III and Bruce Irussi both qualified for Nationals as the team finished in the top 25 of the country. Senior Jeff III became the first NCAA All American wrestler in this school's history. III finished fifth in the country, having to wrestle five out of his six matches against seeded players.

First year Coach Bill Warden stressed rigid conditioning, a team defense, and a motion type offense. The team was led by All Conference selections Mike McFadden (set school record for blocked shots) and Terry Egan who both averaged 14.7 points per game. Team tri-captains included Terry Egan, John Giannini, and Van McCarthy (led the team in assists and steals.)

# BASEBALL

The Baseball Team finished the season with a respectable 16-12 record. The team began the season with their annual Florida trip where they beat one Division I school and three Division II schools to compile a 4-3 overall record. As the Cardinals came back up North they were met by snow and cold weather. As a result, the team experienced a long layoff and a slow start. But as the weather turned hot, so did the Cardinals as they finished the season winning seven out of their last eight games. In conference play, the team finished with an even record of 8-8 and a fourth place finish. Four players made the All Conference Team. They include left fielder Chris Northrup (who led the league in hitting, .533), pitcher Kyle Bovie (E.R.A. 1.59, 4-1), Pitcher Dave Covalt, and first baseman Bill Bennett.

# CARDINAL REFLECTIONS

As we reflect on the year just past, we think of times which were full of: warm memories, cold days, winning, along with losing, happiness, frustration, friends, romances, but above all fulfillment.

# CARDINAL CANDIDS

Cardinal Candidis is just one last look at the special ingredient that makes NCC a truly "Special Kind of Place," the people. To all the people that take a special interest in the school, this Spectrum's for you.

**RICHARD M. EASTMAN Ph. D.**

Dr. Richard M. Eastman retired from North Central at the end of the 1981-82 academic school year. Dr. Eastman had been with the institution since 1946. During his tenure, he formally served as professor of English, Dean of Faculty, and his final position as Professor and Chairman of General Studies. Dr. Eastman stepped down from his position as Dean because he wished to be more involved with the students. And involved, he was. For he was not only a professor, but a friend to each student he taught. Dr. Eastman will use his extra time to continue writing and publishing his own literature. He will be long remembered and truly missed by students and faculty alike. Dr. Eastman believed deeply in the liberal arts education taught at North Central. In his speech to the graduating class of 1981, he said, "Five great powers of a true liberal arts education: openness to a complete life (including its leisure); an understanding of the past which shapes us; a grasp of the current social issues we must help to solve; flexibility in life commitment; the ability to recognize excellence wherever we look or act."

## EDITOR'S NOTES

Well it is June 27, and while all of you have been out enjoying our cold, cloudy Summer, I have been at my desk putting the finishing touches on this year's Spectrum. The picture above is how I looked upon completion of the book. With thoughts of boating and skiing going through my mind, I lay here too exhausted to move. I would, however, like to finish with a few thoughts. When we began the school year we realized that we had a great task set upon us. Our job, if we chose to accept it, was to produce a yearbook of the highest quality and latest design. Sparing no expense, and devoting literally thousands of hours to the Spectrum, the staff and myself have compiled a yearbook which we will compare to any in the school's past. This book not only possesses a custom cover, custom paper, and over 140 color pictures, but also a very comprehensive coverage of the year's events. It is at this time that I would like to thank Mike Moser for his help and understanding, Jim Bull and Josten's American Yearbook Company, and Sudlow Photographers. A special thanks goes out to the Spectrum staff for their help was greatly appreciated. Mike Sullivan should receive a medal for his brilliance and dedication in the darkroom. Finally, I would like to thank my assistant editor, Susan Motzer. She was always there with encouragement and a helping hand when I felt down. I hope you all are as proud of owning this book as I am of making it. Here's to you Cardinals.
